

In the Claims:

Please amend Claims 1, 10-13, and 15-17, 19, and 24 as shown below, and cancel Claim 18 without prejudice. A complete copy of the claims including marked-up versions of each claim which is amended in this Amendment B appears below.

- 1 1. (Currently Amended) A nutritional product for equine foals, comprising:  
2 a polar lipid supplement that has been isolated from its natural source which polar  
3 lipid supplement is high in galactolipids and antioxidants;  
4 a soluble fiber source that has been fractionated from its natural origin which  
5 soluble fiber source exerts a beneficial effect on health;  
6 a nutriceine which enhances growth and/or strengthens the immune system  
7 consisting of a source of dietary nucleotides; and  
8 a protein concentrate supplement.
- 1 2. (Original) A nutritional product as defined in Claim 1, wherein said polar lipid  
2 supplement contains antioxidants.
- 1 3. (Original) A nutritional product as defined in Claim 1, wherein said polar lipid  
2 supplement contains lipids of oats.

1 4. (Original) A nutritional product as defined in Claim 1, wherein said polar lipid  
2 supplement comprises at least one oil selected from the group consisting of oat oil,  
3 soybean oil, olive oil, palm oil, sunflower oil, corn oil, rape seed oil, and linseed oil.

1 5. (Original) A nutritional product as defined in Claim 1, wherein said polar lipid  
2 supplement comprises:  
3 oat oil.

1 6. (Original) A nutritional product as defined in Claim 5, wherein said oat oil  
2 comprises a mixture of oat oil from all phases of the extraction process.

1 7. (Original) A nutritional product as defined in Claim 1, wherein said polar lipid  
2 supplement comprises between approximately four percent and fifty percent of said  
3 nutritional product by weight.

1 8. (Original) A nutritional product as defined in Claim 7, wherein said polar lipid  
2 supplement comprises between approximately twenty-five percent and forty-five percent  
3 of said nutritional product by weight.

1 9. (Original) A nutritional product as defined in Claim 8, wherein said polar lipid  
2 supplement comprises approximately thirty-five and four-fifths percent of said nutritional  
3 product by weight.

1 10. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 soluble fiber source is an oligosaccharide.

1 11. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 soluble fiber source is derived from at least one ingredient selected from the group  
3 consisting of oats, barley, and soybeans.

1 12. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 soluble fiber source is derived from oats.

1 13. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 soluble fiber source comprises:  
3  $\beta$ -glucan (beta-glucan).

1 14. (Original) A nutritional product as defined in Claim 13, wherein said wherein said  
2  $\beta$ -glucan is derived from oats.

1 15. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 soluble fiber source comprises between approximately one-half and fifty percent of said  
3 nutritional product by weight.

1 16. (Currently Amended) A nutritional product as defined in Claim 15, wherein said  
2 soluble fiber source comprises between approximately two and ten percent of said  
3 nutritional product by weight.

1 17. (Currently Amended) A nutritional product as defined in Claim 16, wherein said  
2 soluble fiber ~~supplement~~ source comprises approximately two and one-half percent of  
3 said nutritional product by weight.

18. (Cancelled).

1 19. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 ~~nutriene~~ source of dietary nucleotides comprises:  
3 yeast cell extract.

1 20. (Original) A nutritional product as defined in Claim 19, wherein said yeast cell  
2 extract comprises between approximately one-half percent and ten percent of said  
3 nutritional product by weight.

1 21. (Original) A nutritional product as defined in Claim 20, wherein said yeast cell  
2 extract comprises approximately five percent of said nutritional product by weight.

1 22. (Original) A nutritional product as defined in Claim 19, wherein said yeast cell  
2 extract is derived from bakers or brewers yeast.

23. (Cancelled).

1 24. (Currently Amended) A nutritional product as defined in Claim 1, wherein said  
2 nutricine additionally comprises:  
3 yeast cell wall.

1 25. (Original) A nutritional product as defined in Claim 24, wherein said yeast cell  
2 wall comprises between approximately one-half percent and five percent of said  
3 nutritional product by weight.

1 26. (Original) A nutritional product as defined in Claim 25, wherein said yeast cell  
2 wall comprises approximately two percent of said nutritional product by weight.

1 27. (Original) A nutritional product as defined in Claim 1, wherein said protein  
2 concentrate supplement comprises:  
3 whey protein concentrate.

1 28. (Original) A nutritional product as defined in Claim 27, wherein said whey protein  
2 concentrate contains high levels of immunoglobulins and lactalbumins.

1 29. (Original) A nutritional product as defined in Claim 1, additionally comprising:  
2 a nutritine which stimulates the formation of nucleotides.

1 30. (Original) A nutritional product as defined in Claim 29, wherein said nutritine  
2 which stimulates the formation of nucleotides comprises:  
3 L-glutamine.

1 31. (Original) A nutritional product as defined in Claim 30, wherein said L-glutamine  
2 comprises between approximately two percent and six percent of said nutritional product  
3 by weight.

1 32. (Original) A nutritional product as defined in Claim 31, wherein said L-glutamine  
2 comprises approximately four percent of said nutritional product by weight.

1 33. (Original) A nutritional product as defined in Claim 1, additionally comprising:  
2 Vitamin E.

34. (Original) A nutritional product as defined in Claim 33, wherein said Vitamin E comprises approximately two-tenths percent of said nutritional product by weight.

35. (Original) A nutritional product as defined in Claim 1, additionally comprising:  
at least one mineral micronutritional additive.

36. (Original) A nutritional product as defined in Claim 35, wherein at least one mineral micronutritional additive comprises:  
one or more from the group consisting of selenium yeast, copper yeast, manganese yeast, zinc yeast, and chromium yeast.

37. (Original) A nutritional product as defined in Claim 36, wherein each said mineral micronutritional additive comprises approximately one-tenth percent of said nutritional product by weight.

38. (Original) A nutritional product as defined in Claim 1, additionally comprising:  
a medication that is carried with the other ingredients of said nutritional product,  
wherein at least one of the absorption or the therapeutic value of said medication is maximized by being taken in conjunction with said nutritional product.

39-60. (Cancelled).
